

Sharing the Light of Christ

I met Breanna when I was a first year counselor. Most people would not think that Breanna and I would hit it off. She was outgoing and seemed so sure of herself. I was quiet and not sure Luther Crest was the perfect fit for me. Soon after we got to know each other and worked together a few weeks, we truly became the best of friends.

*Breanna had such a knack for working with junior high youth. **Perhaps because she accepted everyone the same way Christ accepts us – just as we are, with all our imperfections and mistakes. She touched many lives, campers and counselors. Breanna was truly a light!** A joy to be around, she was caring, fun-loving, happy, funny and a thoughtful and wonderful friend.*

Breanna's legacy lives on through her daughter, Karley and through your gracious giving to the Memorial Garden at Luther Crest.

A place where the light of those we love and have lost can shine on forever.

Breanna's Memorial Garden

We will also be including past memorial gifts given in memory of Donald Froemming and Jerry Leone into this new Memorial by planting several new trees in their names.

This new Memorial Garden will be in a central location on site near the Chapel and will be accessible for everyone to see and to use.

About Breanna

Our daughter, Breanna, died suddenly on June 18, 2010. The cause was later determined to be a very rare auto-immune disease.

I remember vividly the first time I heard Breanna laugh. We were first time parents and we laughed and cried at the same time! It was "music to our ears." Breanna's infectious laughter and genuine smile continued to be two of her best and well remembered qualities in her too short life.

For four summers she shared her gifts with Luther Crest campers and staff. She loved Luther Crest, she was Luther Crest.. Through this Memorial Garden, we can continue to see Breanna's Light Shining Bright for years to come.

Kim Schoeck, Breanna's Mom
